FOR BUGGY AND BUGS

Bugs in your radiator will put your buggy on the bum, says the local Western Auto manager, who explains that when the radiator pores are stopped up with insects it seriously interferes with the cooling function of the radiator with the result that engine efficiency is noticeably lessened. A Western Auto salesman is shown demonstrating the value of radiator screens.

MENLO PARK NEWS NOTES

Charles Dompe, for several years employed by the Cash Saving Food Shop, has been appointed a member of the Menlo Park Fire Department. The force has been recently enlarged by Cliff Cuff.

Inspector Dunn is making a campaign against all rodents in the community. Recently a large number of rats have made their appearance in this locality. To combat the pest Dunn is using a poison furnished by the state university.

The annual retreat of the priests of the archdiocese is being held this year at St. Joseph's Seminary at Los Altos. Last week the pastors of the various churches made the retreat. This week the assistant priests are making the devotion owing to repairs being made on St. Patrick's Seminary. The retreat had to be held at St. Joseph's.

Major R. W. Park, proprietor of the Menlo Military Academy, has purchased a little over half of the 15½ acres of the land surrounding the buildings. The remainder will be subdivided and sold in lots by the owner, Miss E. Noel. The improvements and land immediately surrounding the structures will be retained by Mr. Park. Miss Noel will probably fence the lots on sale after the first of the year.

Two substantial residences are being erected in the Flood property, recently subdivided into acreage tracts. Among the recent buyers is Attorney F. M. McAuliffe, who is to build a fine residence next year. Mr. McAuliffe spent a few years of his young life in Menlo Park when St. Patrick's Seminary was in course of erection. His father was the chief clerk during construction and lived here.

The attorney is a member of the law firm of Heller, White, Ehrman and McAuliffe. McAuliffe is a director of the Golden Gate Bridge and an inheritance tax appraiser of San Francisco.

The picket fence in front of the grounds of the Church of the Nativity has been replaced by a neat iron railing set on bricks. It is attractive and an adornment to the property.

Miss Edna Grill, the pretty daughter of Mr. and Mrs. F. B. Grill, was united in marriage in the Hall of the Nativity to Walter E. H. Rahnn by Father Thomas J. McKeon in the presence of relatives and a few friends. The marriage was the culmination of a school day romance that had its inception in Sequoia high school. Mr. and Mrs. Rahnn will make their home in San Francisco.

J. McCarthy passed away last week at the home of James D. O'Kane. The deceased was a pioneer of San Francisco and had only been here a few days. He is survived by a wife and several grown children.

Mr. and Mrs. Eugene Deightman of Tacoma, Wash., and their niece, Miss Normalee Lindquist of Deer Lodge, Mont., are visiting Oscar and Wayne Lindquist.

Menlo Park American Legion Auxiliary No. 443 will give a card party in Legion Hall next Tuesday at 8:15. Score cards will be 25 cents.

Mrs. Loren Ross has returned to her home on Walnut street after visiting in Sebastopol, where her husband is engaged in work.

Menlo Parlor No. 211, Native Daughters of the Golden West, will give a card party in Central School auditorium September 16 at 8:15. Score cards are 25 cents.

The following delegates were elected to the 26th District American Legion Auxiliary at the regular meeting Tuesday night: Clarissa Ross, Isabelle Weeden Lindquist and Sarah Moore.

October 15 has been set as the date for the marriage of Miss Iris Armes to James Arthur Nelson Jr. at the Atherton home of the bride-elect's parents, Mr. and Mrs. George Armes. The ceremony will be held in the garden.

After a short honeymoon the couple will live in San Francisco. Miss Armes is the sister of Mrs. Elton Tognazzini and John A. Armes. She was graduated from Miss Burke's school, did post graduate work at Miss Head's in Berkeley and recently completed a course at Marin Junior College.

Mr. Nelson is the son of Mr. and Mrs. James Arthur Nelson. He is a graduate of Stanford University.

Miss Francis King will entertain at dinner September 11 at the summer home of her parents, the Frank Kings, in Menlo Park in honor of Miss Virginia McMullin and her fiancé, William Keesling.

**Car, Garage Burn
In Morning Blaze**

The automobile of A. T. Gherini, 104 Wellesley Circle, was almost destroyed and the Gherini garage partially burned when fire, which apparently started mysteriously inside the automobile as it stood locked in the garage, broke out at 5 o'clock Wednesday morning.

The Gherini family was awakened by a milk delivery man who noticed the fire and turned in the alarm. The fire department responded, seemingly blowing unusually loud, aroused many Redwood City residents, and after first cooling off the smoldering garage, pushed the car into the driveway and extinguished the blaze.

According to firemen, the garage was only slightly damaged, although considerably "smoked up." Firemen thought that possibly a short circuit in wiring within the car was responsible for the start of the blaze.

FIRE DAMAGES GARAGE
Menlo Park fire district equipment was called to the Belle Haven garage on Bayshore highway Tuesday afternoon to extinguish a rubbish fire. Damage of approximately \$15 was done to the garage building, firemen said.

**Business College
Enrollment Held
To Small Number**

California College of Business, located in Berkeley, is unique among the better business training institutions of California.

Its founder and present dean, Clemmer W. Wise, has brought to the leadership of California College a breadth of cultural, educational and business background that insures its students the highest standards and ideals of business training.

In order to secure the largest degree of personal instruction, the college definitely limits its enrollment. In the secretarial school that limit is 80 students. In the school of business administration only 25 students are accepted each year.

In a recent survey of 93 private commercial colleges located throughout the United States, California College of Business, with but one exception, ranked highest in its requirements for graduation.

Such has been the demand for California trained young people that no graduate, to date, has had to wait for a position.

Dean Wise suggests that those who wish to apply for entrance this fall should communicate with him promptly at 2132 Allston Way, Berkeley.

**Seaman Is Jailed
After Reckless Ride**

C. Wennerblad, 23, seaman on a freighter now anchored off Oakland, wished today that he had stuck to the sea.

An automobile trip he took down the peninsula resulted in his being in a Redwood City county jail cell, beginning what may be a 25-day term for reckless driving.

W. Komsthoft, 26, San Francisco hod carrier, secured his liberty on payment of \$10 fine for being drunk in the automobile.

Wennerblad was driving, and was in San Francisco today trying to raise \$50, the amount of fine Wennerblad must pay to avoid the jail term. Both men appeared before Police Judge Rupert Johnson of San Carlos.

NEW MARKET OPENED

This is a view of the Purity Stores' new meat department in their store at 929 Main street.

**Purity Store
Opens Market
On Main Street**

Purity Stores, Ltd., today announced the opening of their own meat department in their store at 929 Main street.

Phil Cody, who has been with the company for the past several years, comes to Redwood City from San Rafael as manager of the new department.

One of the outstanding features of the completely renovated market is the new type of counters which are arranged to display meats at an easy eye-level.

Manager Cody will be assisted by six salesmen "in order to assure everyone speedy, efficient service at all times," he stated.

In addition to fresh meats the department will carry fresh fish, poultry, corned meats, smoked meats, and luncheon meats, according to Cody.

Free balloons will be available to all the kiddies on Saturday, the store announced.

**P. A. Stores Agree
To 48-Hour Week**

PALO ALTO, Aug. 25—Palo Alto grocers and fruit and vegetable merchants have agreed to union demands of a 48-hour week and a graduated wage scale based on \$18 weekly for apprentices, Thomas Holland, president of the Palo Alto Retail Clerks' Protective Association, announced today.

Contracts between the merchants and union will be presented for signatures this week by Victor Lazarro, business representative of the union, and beginning this week Sunday and holiday closing regulations will be observed by the merchants, Holland said.

Food markets will open at 8 o'clock in the morning and close at 6:30 o'clock, according to the agreement.

\$20,000 PROPERTY SOLD

Filing of a deed in the office of County Recorder T. Clark Rice revealed today that G. J. Phario, Atherton banker, has sold a \$20,000 piece of property in the Polhemus Tract, Atherton, to Mr. and Mrs. Charles S. Ash.

**Slot Machine Taken
From Bayshore Cafe**

Another slot machine was added to Sheriff James J. McGrath's collection when Deputy Hugh Williams seized a five-cent coin device early Sunday morning at Mora's Tavern on the Bayshore highway in East Palo Alto. Williams said he would secure a complaint for Henry Mora's arrest on a charge of possessing a slot machine. Mora was arrested last January 15 by state board of equalization officers for allegedly violating the state liquor act.

**Ocean Shore Meeting
Set in S. F. Friday**

The Ocean Shore Highway Association, devoted to the promotion of the highway along the coast between San Francisco and Santa Cruz, will hold an important meeting in San Francisco on Friday afternoon. The president of the association, George E. Dunn of Half Moon Bay, will be present, as well as members of the executive committee of the association, the directors of joint highway district No. 9, Highway Commissioner H. R. Judah and District Engineer John H. Skeggs of the state highway department.

**Decision Postponed
On M. P. Picnic Area**

The county planning commission will make no decision until September 17, their next meeting, on Roger Reynolds' request for zoning of land near Menlo Junior College to permit establishment of a recreation center. At a week-end meeting, Commissioners Carl Bissett and Martin A. Poss of Burlingame were absent, vacationing, and the planners did not wish to decide the controversial issue without a full board being present.

Motorists Warned of Hazards On Smooth Tires

Union Oil Service Stations Demonstrate False Economy in Driving on Worn-out Tires

A novel method of demonstrating to Pacific Coast motorists the danger of riding on smooth, worn tires is being used in Union Service Stations, according to J. H. Conroy, Central Region manager of the station system. "Consisting of a set of cross sections of new and used tires, the method is proving very effective in showing motorists that when a tire is smooth and all the non-skid wears off, it loses all of its braking efficiency and the car is subject to dangerous skids," said Conroy.

"In addition to this well known hazard to driving, a further danger may be readily seen by the fact

that a smooth tire, in picking up nails, glass and other objects, allows them to penetrate through to the piles and the tube, with the obvious result of a puncture," the petroleum company executive continued.

He stated that a recent survey showed that out of 2000 smooth worn tires examined, there were 2049 nicks, nails and metal splinters, 2,099 pieces of glass and 2,197 rocks and stones, or an average of 3.1725 objects imbedded in each tire, any one of which is extremely liable to puncture a tube.

In stressing the importance of safe equipment in driving, Conroy said that there is less than 50 cents worth of travel left in the

last 1000 miles of a tire's life. This figure is based on the average life of a tire as being between 25,000 and 30,000 miles, estimated at current tire prices.

"With the small saving to be derived from running a tire until it wears out completely, it can easily be seen that the danger involved with this practice far outweighs the possible value to be saved by taking the chances of skidding, punctures and blowouts," Conroy said. He concluded with the statement that motorists can buy new Triple Safe Firestone Tires at all Union Service Stations on a convenient Budget Plan, which eliminates all obstacles to equipping their cars for safe driving.

Now, having lived peaceably for many years in Knob, Shasta county, Jones wishes to wipe away the last stigma of his crime—his loss of citizenship.

Notice that Jones had requested an executive pardon for his crime was forwarded Tuesday to Dist. Atty. Gilbert D. Ferrell, who is studying the recommendation he

Heir Denies Guilt
In Plea to Court

Eugene Grant Smith, 52, who has changed his mind several times in his stories to police, changed it once again Monday as he pleaded not guilty to a charge of grand theft lodged by Dr. Joseph M. Dalal of San Mateo.

Yesterday Smith had told Dep. Dist. Atty. Louis Dematteis he planned to plead guilty to the charge, which originated, according to Dr. Dalal, in two bad checks given the physician by Smith, former Burlingame and San Francisco furniture salesman.

Smith's trial was set for September 3 at 10 a.m. before Superior Judge Maxwell McNitt. Smith waived a jury trial.

Several days after his arrest early this month, Smith admitted that a story he had told of his being an heir to an immense mid-western fortune was false. His arrest took place after he had swallowed an overdose of a sleeping potion in a Burlingame service station.

Double Charge Faces
Injured S. F. Autoist

Charges of automobile theft and driving while intoxicated confront R. R. Lancaster, 26, of San Francisco, who lies in Palo Alto Hospital with a possible fractured vertebra today following his asserted

attempted escape from a police officer. Pursued by Officer Louis Nelson of Menlo Park, Lancaster entered Palo Alto avenue at an estimated speed of 60 miles per hour Saturday evening and wrecked his stolen machine as he tried to follow the curve at the Bryant street intersection, Nelson reported. Upon his discharge from the hospital Lancaster will answer to a drunken driving charge in Palo Alto. He is wanted in San Francisco for the theft of the wrecked machine from a drive-yourself station Saturday morning, according to Officer Nelson.

Gambling 'Take' Over State Cut To \$25,000,000

The "heat" on gambling all over the state is not going to be turned off, it was announced Monday by Atty. Gen. U. S. Webb as he estimated that the gaming "take" in California has been cut from \$100,000,000 a year to \$25,000,000. Webb's campaign against gambling has been waged relentlessly for two years through pressure on chiefs of police to drive slot machines, bookies, bingo games and other gambling pastimes out of their territories.

"I have my estimates on the reduction of the 'take' on reports from peace officers throughout the state who have cooperated in the campaign," said Webb.

"We are not going to let up. The situation generally throughout the state is pretty well under control. There are a few bad spots here and there but they are being attended to."

Exactly 2,224 teachers are drawing pensions through the California teachers' retirement fund.

FAT?

lose weight SAFELY—QUICKLY—with Amazing DRUGLESS Treatment

Thousands of fat men and women are getting back to normal weight through the use of WATE-OFF, pure vegetable tablets guaranteed safe and effective and absolutely free from dangerous drugs of every kind—no dinitrophenol, no harsh reducing salts or other harmful laxatives that physicians weaken the system, causing the flesh to become flabby and the skin to sag and wrinkle. With WATE-OFF it is possible to reduce without these disagreeable effects. In fact, most users report that after using WATE-OFF, they not only LOOK better but they actually FEEL better than they have in years.

"After taking WATE-OFF for only 2 weeks, I have lost 10 lbs. I feel and look better and I am delighted with results," (signed) Miss Emma Fillingame, 1517 Jiquil Terrace, Chicago.

"I weighed 160 lbs. Now I weigh 132 lbs. —just exactly what I should weigh for my height and age," reports WATE-OFF user, Mrs. Louise M. Hartford of Denver. "Have used three boxes and I am greatly pleased with the results, having lost 28 lbs."

And so the reports come from delighted WATE-OFF users, the country over, who have found it possible to get the results they want through DRUGLESS preparation, and without starvation dieting or back-breaking exercising.

You've seen WATE-OFF advertised in 24 in leading magazines like Pictorial Review, Physical Culture and others. Now we offer you the opportunity to purchase this same fine preparation for only \$1.00 for a full two weeks treatment. Furthermore, if you are not satisfied with the results, you have the privilege of returning the empty carton and we will return your money! **2 weeks treatment \$1.00**

Polar Bear Loses Head Mysteriously

The Sharp Park beach polar bear, deceased, and very unusual, according to animal experts, has lost its head, probably in the interests of science.

Northend residents reported today that someone had removed the head from the bear's body. They presumed that the decapitation was performed by scientists, probably from the University of California anthropology department, who were interested in the animal's skull.

Nearly all the white fur is gone from the badly decomposed body, and all that remains to prove the animal's past bulk are its large bones, the residents said. Presence of the polar bears' body so far south has puzzled scientists and zoo experts, who could only guess that the bear had died on a ship and been thrown overboard near the coast.

The war memorial at Bennington, Vermont, is the highest stone shaft memorial in the world.

Car Collision Here Causes Damage Suit

For injuries he suffered last June 11 in an automobile collision at the Hudson street-Jefferson avenue intersection here, George Clark has brought suit in superior court for \$25,000 damages, naming C. C. McRae of Burlingame and his employer, the Pacific Gas and Electric Company, as defendants. Clark was riding in a car driven by Marie LaBarthe. Both live in Redwood City. The action was filed through Atty. Edmund Scott.

PLAN PLAYGROUND START
MILLBRAE, Aug. 25—Plans for elaborate ceremonies Sunday, Sept. 19, to mark start on a new large playground on the property of Bill Lange were announced here today. The playground, largest of its type on the peninsula, is to be located along the Spring Valley Lakes road west of El Camino Real.

Although A. E. Housman's first book of poems, "A Shropshire Lad," became an immediate classic, its publication was financed by the author.

Minister's Child Succumbs Suddenly

Taken ill suddenly Tuesday of an intestinal disorder, little Madeleine Read, 22-month-old daughter of the Rev. and Mrs. Alden A. Read of San Carlos, passed away at 6:15 a.m. yesterday at Mills Memorial Hospital, San Mateo, where she had been rushed at 11:20 o'clock.

The baby was born in Berkeley, but had lived in San Carlos for the past 16 months. Rev. Read is pastor of the Congregational church here.

MOTORCYCLIST INJURED

Severe lacerations were suffered by E. L. Wilson of 420 Milton street, San Bruno, when he crashed his motorcycle into the rear of an automobile at El Camino Real and Creek drive in Menlo Park late Tuesday afternoon. Wilson was taken to Palo Alto Hospital for treatment. Miss Elsi Cahen, 20, of 3055 Pacific avenue, San Francisco, was the driver of the automobile.

Tire Blowout Causes Crash; Woman Hurt

A tire blowout, a madly swerving machine that swung onto the shoulder of the Bayshore highway, then turned over—this was the picture of an accident between San Carlos and Belmont late Tuesday that resulted in a 73-year-old Los Angeles woman lying in Mills Memorial Hospital today with a broken left shoulder.

The aged woman, Mrs. Fannie Kibre, was pinned inside the wreckage when the car driven by Clara Kibre, 33, also of Los Angeles, went out of control because of a blowout to a rear tire. Patrolman N. L. Porter investigated.

TRUCK TURNS OVER

MILLBRAE, Aug. 25—Driving too close to the edge of the road around Lake Andreas, in the hills behind Millbrae, a heavy cement mixer truck fell sideways off the road late yesterday and upset. The driver, whose name was not immediately learned, was unhurt. The truck was one owned by the South San Francisco Lumber and Supply Co.

County Health Aide Takes Course at U.C.

Dr. A. F. Brewer, former county epidemiologist and sanitary inspector, was studying today at the University of California while County Health Director Charles C. Gans looked around for a successor to the young doctor who won Dr. Gans' praise for his work here during the past nine months.

In line with the established policy of aiding health officers to get well-rounded training, Dr. Gans released Dr. Brewer to attend a year's course in public health at the Berkeley university.

At the conclusion of the course Dr. Brewer will hold a certificate of public health and be prepared to direct a public health department, according to Dr. Gans.

Dr. Brewer, who formerly lived at 150 Duane street, has moved with his wife to Berkeley.

Living costs have increased 22 per cent in Paris in the last year. The cost of living in France outside of Paris advanced about 23 per cent in the same period.

PART-TIME SECRETARY SEEN FOR TRAFFIC COMMISSIONERS

San Mateo county's traffic safety committee will be awarded the secretary they ask, but the position will be a part-time one, not a "high salary" job.

This was indicated with sureness Monday following a conference between the commissioners and the board of supervisors.

The board, although declining to make any definite commitment until the final budget hearing Wednesday, said, in the words of one supervisor, "it looks as if a secretary is needed and we'll probably give them one."

County Executive Ernest A. Rolison said the supervisors were considering a budget of \$2500 for the traffic safety committee activities during the coming fiscal year.

The board "was tremendously impressed with the necessity for the traffic safety work and prom-

ised full co-operation," according to Dr. Arthur H. Nobbs, chairman.

The commissioners were still hopeful of getting a full-time secretary, as well as a permanent office, but although the office proposal received favorable comment from the supervisors, it appeared unlikely that a full-time secretary would be approved.

Next meeting of the commission is September 14.

FISHERMAN BREAKS LEG

Walter Hermann, 175 Inner Circle, incurred a broken leg while fishing in Kings river near Fresno Saturday, friends here have learned. Hermann was fishing in Black Canyon when he fell, and had to be carried out on a pack horse. He is convalescing at Burnett Sanitarium, Fresno, where he expects to be for another two weeks.

60-Mile Speed Brings Drivers \$5 Fines Here

Most recent speeders cited by patrolmen on highways near Redwood City had their speedometer needles on the 60-mile per hour mark, so \$5 were the fines imposed on the majority by Justice of the Peace Edward I. McAuliffe.

Seven paid this penalty, and two paid two lesser fines for speeding, while in Redwood City, the speeding slate was clean, for only over-parkers and one arterial offender were cited in the past week.

The "five dollar" speeders were Dorey W. Howard and William Wegman Jr., both of San Jose, Marciso J. Benedetti of San Mateo, Susumu Inouye of Redwood City, R. J. Moran and A. L. Lamponico, both of San Francisco, and G. R. Nowlin of Burlingame. Speeders fined \$2.50 apiece were William Howards of Los Angeles

COLMA CAFE BURGLARIZED
Sheriff James J. McGrath's office was investigating today the burglarizing of \$100 in cigars and liquor from the San Pedro Inn on San Pedro road, Colma. Mario G. Pendola, proprietor, said thieves broke in through the rear door, according to Deputies Hugh Williams and Louis Lodi, who investigated.

and A. J. Vannoni of San Francisco.

Three local over-parkers assessed \$1 apiece were Peter Lange, Balcomb Gings and Albert Musso. Delmar J. Hobson paid \$2.50 for driving through a Redwood City stop sign.

Coastside Barber Is Taken by Death

HALF MOON BAY, Aug. 24—Mateo Orsi, 48, for 20 years a resident of Half Moon Bay, died today in Palo Alto Hospital after

a long illness during which he had suffered from heart trouble. He was a barber, and well-known throughout the peninsula.

Surviving him are his wife, Mrs. Valentino Orsi, and three daughters, Mrs. Enos Solomone, Tosca and Rosetta Orsi, and a cousin, Italy.

Rangers in the Lake McDonald district of Glacier National Park, Montana, report that bear cubs, mere infants in age, already have learned how to beg.
